Public Health Act, 1936

On the 1st May, the Council applied for an order at Rotherham West Riding Court for the compliance with a notice served under Section 268 s.s. 2(b) on the owner of land at the Swinton Boat Yard on which stood a badly dilapidated combined van and shed. An order within 40 days for abatement was made. The order was not obeyed, the Ministry of Health intervened before the case was re-taken to Court, houses were found for the occupiers of the van and shed at Hull, these were turned down, and they still occupied the van and shed at the year end.

In conclusion I beg to thank the members for their support and my sincere thanks to Dr. Hatherley for his great help and valued advice given to me in the performance of my duties during the year.

I beg to remain,
Mr. Chairman and Gentlemen,
Yours obediently,

Sanitary Inspector.
